

7 Wonders: The Wonder of LAUGHTER

NEAR THE HEART OF GOD (Chris Tripolino)

There's a time of peace. There's a time of rest
There's a time of consolation near the heart of God

There's a time of joy. There's a time to dance
There's a time of celebration near the heart of God

Lord, you've borne our burden, shown us God's devotion
Brought us to the face of love, but we're not so good at
loving each other
Hold us in your arms of mercy. Just keep bringing us near
the heart of God

There's a time of love. There's a time of grace
There's a time of sacrifice near the heart of God

Lord, you've borne our burden, shown us God's devotion
Brought us to the face of love, but we're not so good at
loving each other
Hold us in your arms of mercy. Just keep bringing us near
the heart of God

Jesus by your gentle whisper, help us love our brother,
sister
Even as our cups brim over, keep on bringing us near the
heart of God

FEELING GOOD (Nina Simone)

Birds flying high, you know how I feel
Sun in the sky, you know how I feel
Breeze drifting on by, you know how I feel
It's a new dawn, it's a new day, it's a new life for me
And I'm feeling good

Fish in the sea, you know how I feel
River running free, you know how I feel
Blossom on the trees, you know how I feel
It's a new dawn, it's a new day, it's a new life for me
And I'm feeling good

Dragonflies out in the sun, you know what I mean, don't
you know
Butterflies all having fun, you know what I mean
Sleep in peace when day is done, that's what I mean
And this old world, is a new world, and a bold world for
me

Stars when you shine, you know how I feel
Scent of the pine, you know how I feel
Oh freedom is mine, and I know how I feel
It's a new dawn, it's a new day, it's a new life
It's a new dawn, it's a new day, it's a new life
It's a new dawn, it's a new day, it's a new life, it's a new
life for me
And I'm feeling good

SUNDAY BEST (Surfaces)

Chorus

Feeling good, like I should
Went and took a walk around the neighborhood
Feeling blessed, never stressed
Got that sunshine on my Sunday best

Every day can be a better day despite the challenge
All you've got to do is leave it better than you found it
It's gonna get difficult to stand but hold your balance
I just say whatever cause there is no way around it

Everyone falls down sometimes
But you've just got to know it'll all be fine
It's okay, uh-huh
It's okay, it's okay

Chorus

Some days you wake up and nothing works you feel sur-
rounded
Got to give your feet some gravity to get you grounded
Keep good things inside your ears just like the waves and
sound did
And just say whatever cause there is no way around it

Everyone falls down sometimes
But you've just got to know it'll all be fine
It's okay, uh-huh
It's okay, it's okay

HEAVY (Birdtalker)

If you're lost and you're lonely
Go and figure out why
Take a trip to your dark side
Go on and have a good cry
'Cause we're all lonely
Yeah we're all lonely together

I want to see your sadness
I want to share your sin
I want to bleed your blood
And want to be let in
Don't you just

Don't we all just
Want to be together

Chorus

Leave what's heavy
What's heavy behind

Chorus x2
If your face is down
Take a look around
Do your fingers move?
Do your lungs inflate?
Are you tired are you weary
Of the hidden hate you've been holding?
And did you lose that love?
Or have you never had it?
Are you feeling sad 'cause you did a bad thing?

Chorus

Are you feeling fearful, brother?
Are you feeling fearful, sister?
The only way to lose that fearful feeling
Replace it with love that's healing
Are you feeling fearful brother?
Are you feeling fearful, sister?
